

SCOTTISH RITE MASONS
HOLD SUPREME REUNIONGreat Gathering Opens at Masonic
Temple To-Morrow After-
noon.

VICE-PRESIDENT WILL TAKE PART

Mr. and Mrs. Marshall to Be Met by
Committee and Be Guests at Country
Club Luncheon.

With Vice-President Thomas R. Marshall, a thirty-third degree Mason, and former Congressman James D. Richardson, sovereign grand commander of the supreme council, in attendance, the Supreme Reunion of Scottish Rite Masons which will convene in Richmond to-morrow for a four-day session, will be the largest meeting of the kind which has ever been held in this city.

Vice-President Marshall, with Mrs. Marshall, will be paying his first visit to the city, and arrangements for their entertainment have been completed by the committee on entertainment, of which Postmaster Ray T. Thornton is chairman. The program calls for a personal contact into the city and to the Jefferson Hotel, luncheon, the paying of respects to the Vice-President by local officials and a banquet at the Masonic Temple Thursday evening.

Postmaster Thornton, with several other members of the committee, will meet Vice-President Marshall and Mrs. Marshall at Hallsboro, a place eleven miles from Richmond on the Southern Railway, and act as their official escorts to this city. At Main street station the remainder of the committee will meet the Vice-President's party, and all will proceed at once to the Jefferson Hotel for breakfast.

At Main street station the remainder of the committee will meet the Vice-President's party, and all will proceed at once to the Jefferson Hotel for breakfast.

VICE-PRESIDENT WILL VISIT HISTORIC PLACES

Soon after breakfast the party will enter automobiles for a tour of the city and the historical points in the near vicinity, proceeding to the Country Club for lunch. There the officers of the Scottish Rite Masons and members of the entertainment committee will lunch with Vice-President Marshall and former Congressman Richardson. In another room Mrs. Marshall and a committee of Richmond women, headed by Mrs. J. Taylor Ellyson, will be served luncheon.

The Vice-President will return to the Jefferson Hotel at 4 o'clock to receive the official visits of Governor Stuart, Mayor Alsine and military officers. This is not to be an official reception, as Mr. Thornton last night said he wished to emphasize that he is the city and State executives' calls of respect. No arrangement has been made for the afternoon for Mrs. Marshall, and she will spend that portion of her visit as her own personal wishes may dictate.

Following the conferring of the thirty-second degree at the Masonic Temple, which began at 7 o'clock and was conducted by a Washington lodge of forty members, who came to Richmond for that special purpose, there will be a great banquet at the Temple. At this banquet Vice-President Marshall and others will make speeches.

Because of the fact that the Vice-President and Mrs. Marshall will probably be tired out from the exertions of Thursday, the committee has made no arrangements for Friday. The party will return to Washington over the Richmond, Fredericksburg and Potomac Railroad, the train leaving Third Street Station at 12:01 o'clock.

WILL TAKE ACTIVE PART IN MASONIC EXERCISES

Every effort to make the stay of the distinguished visitor in Richmond a pleasant one will be made by the committee, and no detail of the arrangements has been overlooked. Vice-President Marshall will take an active part in the Masonic exercises in progress during his visit here.

The committee which will make the trip to Hallsboro to meet Vice-President Marshall and Mrs. Marshall consists of the following: Hay T. Thornton, chairman, and Lieutenant-Governor J. Taylor Ellyson, General Charles J. Anderson, O. A. Hawkins and Leon Wallerstein.

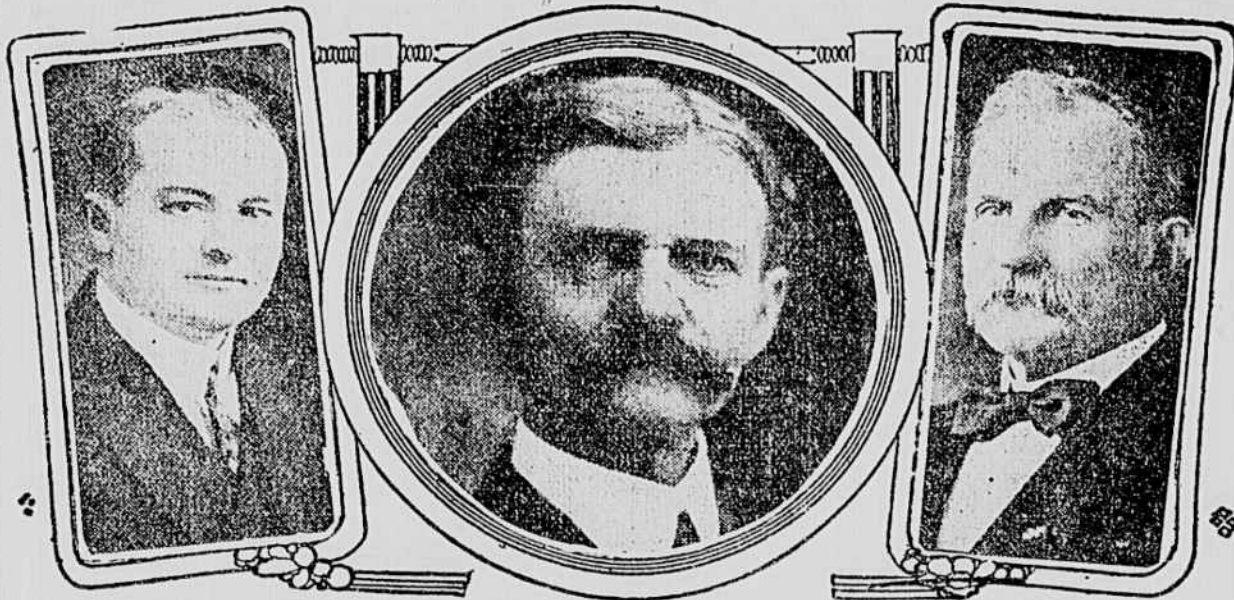

The entire committee which has charge of the entertainment arrangements is as follows: Hay T. Thornton, postmaster, chairman; John P. Mayer, C. A. Newton, General Charles J. Anderson, O. A. Hawkins, Lieutenant-Governor J. Taylor Ellyson, Leon Wallerstein, Milton Marcus, Milton Farris, D. C. Kennedy, Roy J. Y. Fair, L. P. James, H. C. H. A. Robinson, C. H. Ridd and four masters, who will act ex-officio.

While the first visit of Vice-President Marshall to Richmond in the capacity of a Mason will be quite an event to members of the order and the public at large, the presence here of the sovereign grand commander of the Supreme Council of the Ancient and Accepted Scottish Rite of Freemasonry for the Southern Jurisdiction of the United States will also be an event of much importance. Mr. Richardson, who holds this exalted position, was for years the Democratic minority leader in the House of Representatives. He retired from Congress a number of years ago, and since that time has occupied the position of grand commander of the Supreme Council, Thirty-third Degree A. & A. R. Masons for the Southern Jurisdiction of the United States. This is the mother council of the world.

TEAM FROM WASHINGTON TO CONFER HIGH DEGREE

One of the most noteworthy features of the reunion to be held during the present week will be the conferring of the thirty-second degree on the applicants. The ceremony is to be performed by a picked team from the local Scottish Rite lodges in Washington, which will number forty-five men. They come to Richmond by special request, and will conduct the exercises in full form and ceremony in the Grand Lodge Room in the Masonic Temple. It is said that the number of Masons

to receive this degree at the present reunion will be from three to four times greater than that at any previous reunion.

Lieutenant Grand Commander George Fleming Moore, a thirty-third degree Mason and editor of the New Age Magazine, is expected to attend the reunion here. Mr. Fleming is regarded as the foremost Masonic scholar in the world. He spoke here in the Masonic Lodge several years ago and is most pleasantly remembered by all who heard him on that occasion.

John H. Cowles, secretary-general of the supreme council, and General Thomas J. Shryock, grand master of Masons in Maryland, are among the other prominent thirty-third degree Masons who will be in Richmond for the reunion. It is said that many high degree Masons from various sections of the country will also attend.

During the four-day session degrees from the fourth to the thirty-second will be conferred. It is estimated that more than 100 from different portions of the State have already announced their intention of applying for degrees, and this number is expected to be increased before the reunion begins.

The program for to-morrow, the opening day of the reunion, calls for the conferring of the inoffensive degrees, 1 to 14 inclusive. Officers taking part in the work will be: George J. Hooper, Ralph J. Levy, J. G. Hankins, S. W. Morris, H. B. Christian, Hay T. Thornton, James J. Sutton, C. R. Fitzsimmons, James H. Price, James A. Russell, S. H. Templeman, L. B. Siegfried, James A. Richardson, H. B. McConnell, W. N. Woodward, R. S. Crump, Charles A. Nesbitt and M. A. Syde.

Showalter-Rhodes.
[Special to The Times-Dispatch.]
Harrisonburg, Va., May 16.—The United Brethren Church at Dayton, Rockingham County, was the scene of an interesting wedding on Thursday when John Showalter, principal, a graduate of Washington and Lee University, became the husband of Miss Leslie W. Superfluous Hair Disappears Like Magic

New Wonder Makes It Unnecessary to Use Dangerous, Disfiguring Electric Needle or Burning Pastes, Powders or Liquids

Every woman in this vicinity who suffers from the deep humiliation and embarrassment of superfluous hair, and who has used any or all of the worthless advertised depilatories in a frantic search for lasting relief, will rejoice to learn that an entirely new method has been found which quickly and painlessly eradicates all signs of hairy, repulsive hair growths and produces positive, complete and certain results in every instance. This remarkable masterpiece of modern chemistry can now be obtained by sufferers through the enterprise of a well-known woman who succeeded in permanently removing every trace of her own hairy growths after she had failed. In her honor it is called Mrs. Osgood's Wonder. It is the only effective depilatory that never fails to remove all signs of superfluous hair smoothly and painlessly and without injury to the skin or complexion. In a surprisingly large number of cases it has succeeded in killing the hair roots, source of all growth, so that it has never returned.

Triangle Drug Co. have been fortunate in securing a supply of Mrs. Osgood's Wonder, which you can secure on the guarantee of money back if it fails to remove the hair. Write for a full description of this new depilatory to Triangle Drug Co., 100 West 4th St., New York, N. Y.

P. Duval, who succeeded about twelve years ago Mrs. J. E. B. Stuart. The board has been leasing the school to Miss Duval, and her contract expires, and the board deciding to run it strictly as a diocese school, other arrangements became necessary. Miss Howard is a native of Richmond, a graduate of Bryn Mawr, and has been connected with Stuart Hall for a number of years. She will take charge at the beginning of the new school year. A business manager will be employed to relieve the principal of the burden of management. Miss Duval has been very successful in conducting the school. Members of the board present were Rev. J. J. Grayson, D. D., of Richmond; Rev. W. J. Morton, of Alexandria; Rev. W. D. Smith, of Winchester; Judge T. N. Haas, of Harrisonburg; Rev. R. C. Jett, Captain T. D. Hanson, A. F. Robertson and J. S. Cochran, of Staunton.

MEMBERS INITIATED INTO PHI BETA KAPPA

[Special to The Times-Dispatch.]
Lexington, Va., May 16.—The annual celebration and initiation exercises of the Phi Beta Kappa Society at Washington and Lee University were held on Thursday night. The public address was delivered in the University chapel by Dr. J. H. Choate, Smith, head of the department of romance languages at the Johns Hopkins University, after which were conducted the initiation exercises in the library building. The students of the university who were elected to membership in the fraternity were W. M.

TANGO—AND THE COMPLEXION

The strenuous exercise of the Tango has the effect of improving the general health and so naturally helps to improve complexions. It has also forced most women to discard face powders because they rub off too readily and fill the pores, making healthy skin-breathing impossible. If pore-clogging powder were discarded for a plain spumax lotion there would be more beautiful complexions, and rough, blotchy, unlovely skins would rarely be seen. This lotion is easily prepared at home—just get from your druggist 4 ounces spumax and dissolve in either ½ pint hot water or witch hazel, and add 2 teaspoonfuls glycerine. The spumax lotion is fine for hot days, as it will not spot nor streak, and one application lasts an entire day, relieving that shiny, oily appearance. This lotion blends so nicely with the skin that it cannot be detected, and it lends an exquisite charm to the faintest complexion.—Advertisement.

Cleanses, Heals, and Beautifies

THE appearance of your hair and your complexion depends almost wholly upon the care you give them. The frequent use of a good shampoo and toilet soap constitutes the best kind of care.

There is nothing so good for the purpose as Harfina Soap. It cleanses, heals, and beautifies.

Harfina Soap

cannot be equalled as a shampoo soap. It is equally good for general toilet purposes. It frees the scalp of dandruff. It cleanses the hair thoroughly without leaving it too dry and brittle. On the other hand it lathers splendidly and rinses out easily even when used in very hard water.

The use of Harfina Soap prevents rough skins, and cures blackheads, pimples, etc. Harfina Soap owes its unusual qualities to a very fortunate combination of oil of pine and olive oil. Each of these ingredients has marked medical properties. On account of its purity Harfina Soap is especially recommended for use in bathing babies. It prevents the skin troubles that usually afflict them.

The following druggists sell Harfina Soap. If you wish write us for a sample. In any event try Harfina Soap.
